

📷 Top 40 Used Camera Lenses That Sell on eBay (in the \$20–\$200 Range)

Note: Prices and sell-through rates may vary depending on the lens mount, f-stop, autofocus/manual focus, and overall market demand. For example, Canon EF and Nikon F mounts tend to sell faster than Minolta or Pentax due to wider compatibility with modern DSLR/ML cameras.

#	Brand / Mount	Focal Length	Aperture (f/)	Avg Price (USD)	Notes on Demand / Resale
