

Top 40 Used Power Tools on eBay (July 2025)

This list was created using eBay's Product Research tool (Terapeak), focusing on used power tools priced between \$40 and \$200. The tools are ranked by sell-through rate, which measures how quickly items sell (sold listings ÷ active listings). This helps identify what power tools are in highest demand within the used tools market.

#	Brand	Model	Avg Price	Sell-Through %
1	Milwaukee	M12 Fuel Stubby Impact Wrench	\$165	47%
